**THEY ALL ENDORSE
INCUMBENT
MAYOR ALBERT ISEN**

IMPORTANT NOTICE

There is only ONE incumbent Mayor—ALBERT ISEN. Signs and stickers of another candidate for this office asking "re-election" as Mayor are without foundation, and are obviously intended to confuse and mislead the voters, especially the newcomers to Torrance. We disapprove of these tactics in campaigning as well as in office.
Mr. Isen is the present Mayor of Torrance, and has served in that capacity for the past three years.

**New County Library Branch to Serve
Torrance with 10,000 Books Start**

The finest and most modern library facilities will soon be available to residents of Torrance, Gardena, Hawthorne, Lawndale and adjacent communities with the opening of a new branch library at 15709 Crenshaw blvd. scheduled for about April 15, Supervisor Kenneth Hahn announced this week.

The building to house the new library is now virtually complete and ready for occupancy for the library, except for paving of the asphalt parking lot, scheduled to be done in the next few days.

The new library will occupy one large unit of a shopping center nearing completion north of El Camino college.

County crews are now busy building the book stacks, shelves, and counters which will be installed in the new building within two weeks.

Planned to provide efficient library services, the new building is a one-story structure containing 4,000 square feet. Ample public parking is being provided in conjunction with the shopping center.

Supervisor Hahn stated that the branch will open with a book collection of approximately 10,000 which will be increased as soon as possible to its capacity of 14,000 volumes.

The new library will replace

the Moneta branch library, located in cramped, inadequate quarters at 16432 Western ave., which will be closed on April 1 with the books to be moved to the new library.

**Auditions Start
Today for Club
Talent Search**

The first audition of Talent for the Kiwanis Kavalade of Youth Show will be conducted by Roy Gordon, famous producer of youth shows, today at the Torrance Civic Auditorium.

All specialty acts, groups, and individual performers will be auditioned between 4 p.m. and 6 p.m. Auditions are preparatory to aligning The Kiwanis Kavalade of Youth Show which will be presented Friday and Saturday nights, May 2nd and 3rd at the Civic Auditorium. The entire show will be comprised of approximately 250 local youths and several professional entertainers.

Gordon states that "the experience, training, coaching and good clean fun derived during the six weeks of rehearsal is invaluable to the participants and is absolutely free, so if you have talent or just like to sing and dance, come on out to our first audition this Thursday at the Torrance Civic Auditorium."
